

# MARCH - APRIL 2024 UNITED STATES MINT PLATE NUMBER BLOCKS

**GRADE & CONDITION:** The early plate blocks are priced individually, using the following symbols: *xf*=extremely fine, *vf*=very fine, *f-vf*=fine to very fine, *f*=fine, *if*=just fine, *ave*=average, *nh*=never hinged, *lh*=lightly hinged, *h*=hinge remnant, *ng*=no gum, *s/d*=small defect. Beginning with #922, unless otherwise described, all plate blocks listed are mint, fine to very fine, and never hinged. Quite a few from #922 on are available lightly hinged, and if you would like the added savings for these, deduct 25% for the hinging. Larger size plate blocks are indicated with the number of stamps in brackets, like (10). Also, if possible, please list a few alternates.
