

U.S. FANCY CANCELS

We appreciate you taking the time to hunt through this list and hope you'll find something interesting and profitable. As there is only one of each of these lots, alternate choices are always appreciated and not used unless necessary. When ordering please refer to the lot #. These stamps are not in any particular order. As a new cancel is found, it is given a lot # and added to the bottom of the list.

xf=extremely fine, vf=very fine, f=fine, ave=average, s/d=small defect, s/f=space filler(stamps with heavy damage, tears, missing pieces), s.o.n.=socked on the nose.
