

# U.S. REVENUES

#R1 - #R152 and #RB1 - RB19 are listed in two grades, both used. The first column is fine to very fine, the second is average to fine. After this, the first column is for unused, the second for used. Due to the large number of stamps, we have not tried to list various grades. All stamps are sound, many will be fine or vf, others will be average or perhaps straight edge, depending upon stock available. Stock of some items is very small, so please list alternate choices. PR=pair, nh=never hinged, ng=no gum, cut= cut cancel, pi=perforated initials.
